This project was created by the Basque Autonomous Government's Department of Education, Universities and Research in a programme of "Linguistic Processes" to introduce English into classes for four and five-year-olds. The material for the project was developed by a group of teachers and since 1999 it has been put into practice in more than 250 schools. The teachers' opinions are included in the *Evaluation Results-Form Files* in each unit.

The material includes:

- **A CD-ROM with material for 4 year-olds.**
- **A CD-ROM with material for 5 year-olds.**
- **An audio CD for 4 year-olds.**
- **An audio CD for 5 year-olds.**

Each CD-ROM comprises:

- **An introductory document dealing with methodological aspects.**
- **6 units with materials for 10-12 thirty-minute sessions per unit.**
- **Supplementary units with the materials for special occasions (Christmas, Easter and Birthdays).**

Each audio CD comprises the stories and some songs and rhymes.
